

## **COMPETITOR INFORMATION – HARTPURY INTERNATIONAL HORSE TRIALS 2024**

Please read the whole document as there are several changes this year due to Hartpury taking on the National Championships.

### **STABLING updated 6<sup>th</sup> July 2024**

We hope to provide onsite stabling for 300 horse, including a combination of permanent rubber matted stables (200) and temporary stables (100). FEI 2\* and 3\* horses are required to be stabled on site in line with FEI rules and will there be given priority. There is a list of local stabling options available from the event secretary [jane.rudd@hartpury.ac.uk](mailto:jane.rudd@hartpury.ac.uk)

We hope to accommodate riders with both FEI and accompanying National Championships horses by stabling the horses together. However, to enter the FEI stables area accompanying national horses must be FEI registered and compliant with FEI equine influenza vaccination rules. An FEI equine health self-certification form must be completed in the FEI HorseApp for FEI and accompanying FEI registered national horses entering the FEI stables area and the rectal temperature of each horse must be recorded in the FEI HorseApp twice daily for 3 days prior to arrival at Hartpury. When booking your stables please advise if you wish an accompanying National Championship horse to be stabled with your FEI horse and that the national horse is compliant with the above criteria.

Stables open from midday on Tuesday 6th August. When entering please let us know which day you're planning to arrive on site.
