# What are the benefits of living on campus?

**There are so many great reasons to choose to live on campus at Hartpur.**

## **Close to the facilities**

Be at the heart of our vibrant Hartpur community. Living on campus means you're never more than a few minutes' walk from your lectures, practical sessions or favourite hang-outs. Whichever subject is your passion, you'll have the very best facilities at your fingertips. From our commercial farm, Equine Centre and Sports Academy to our 70-species animal collection, modern classrooms and labs, we've got everything you need to succeed. Our College Learning Centre (student library) will be your go-to space to get your head down and immerse yourself in your studies.

## **Feeling hungry?**

When you're ready for a well-earned break, there are plenty of food outlets located across campus. This includes our new £9.8 million catering hub, Graze, completed in autumn 2022. Purposely designed and built with students in mind – you can get a bite to eat, meet friends for a coffee or enjoy working in a flexible new space.

Turn to page 20 to find out more.

## **Your space to relax**

Your main hangout will be your Heroes Lounge. With a pool table, Sky TV, table tennis, game consoles and DVDs, it will become one of your favourite spots to spend time with friends.

Students who live within a certain radius, and are able to travel in daily, will not be considered for accommodation until 31 August 2023. We offer priority booking to certain groups. Find out more on page 6.

## Access to support

There's always someone available to help you when you need it. Our Student Services, Safeguarding, Residential Support and Wellbeing teams will be your first point of contact while you're here. You'll find that our friendly and caring staff always have time to listen – and if they can't help they'll know someone who can. You're joining a nurturing community where you can access the support you need to flourish.

## Great transport links

Living on campus, you'll have everything you need on your doorstep. For those times that you fancy getting out and exploring the local area, there are plenty of transport options.

There's a local bus service, Swanbrook, which stops on campus and takes our students into nearby Gloucester. If you need a cab, you can jump into an Andy Cars taxi and get a discounted student rate. This is great for an evening out or a day trip into town.

Whenever you feel like a trip, you're well connected.

**We offer transport to and from Hartpury for those living nearby and off site**

# Who can live in Hartpury accommodation?

**At Hartpury, you'll be part of a close-knit community that we like to think of as the #HartpuryFamily. Living away from home for the first time might be daunting, but it's a fantastic way to meet new friends, gain confidence and independence, and get the most out of your college experience.**

You're eligible to apply if you're studying an A-level or level 3 diploma course. If you live close enough to travel in daily on either public or Hartpury transport, your accommodation will be allocated after 31 August 2023, and only if rooms are available.

We do receive a high number of applications for accommodation. To ensure we allocate rooms fairly, we give priority to the following groups:

- Students studying land-based courses including Animal Management
- Students who have a horse on campus (on-site livery)
- Students who to play first team sport with one of our Sports Academies
- International (home location) students
- Students on a recognised two-year course returning for year two

- Level 3 BTEC and A-level students: You can request any of our halls of residence as your preferred accommodation.

- To support Sports Academy members in your study and training timetable, you'll have designated halls of residence with your class or team mates. You can find out more on our website:

### Your common room

All halls of residence have a common room which will be your space to relax with friends. Each common room has a fridge (which is in addition to the table-top fridge in your room), kettle, toaster, microwave and comfy chairs. You'll be able to relax with friends while enjoying a hot or a cold snack.

WiFi – stay on top of your studies and keep in touch with family and friends

Maintenance and communal cleaning, as well as a once a week bedroom clean (under 18s only)

Basic contents insurance – for peace of mind.

**Some of the larger common rooms have flat screen TVs for evening entertainment. You can request an iron/ironing board to be brought to your room.**

### **Catching up on your favourite shows on your own laptop or TV?**

You'll need to buy a television licence if you watch or record programmes – whether that's live on TV or via an online streaming service.

### **Weekends**

There's plenty going on at the weekend. You could join one of our regular trips to another city in the UK, or just chill out in Heroes Lounge with your housemates. If you fancy a day out, hop onto a bus and enjoy the sights and sounds of nearby Gloucester or Cheltenham.

### **Safety first**

Your safety is our top priority. Our accommodation has a range of security measures, including CCTV, fob controlled access to block entrance doors and key access to your individual bedroom, on-site Residential Support Team, night security and a 24-hour emergency phone number. A secure parental passkey system operates when you are away from campus overnight. Authorised by your parent/carer, this means that we always know where you are and that you're safe.

During enrolment, you'll be invited to attend a residential induction talk where you'll meet our Residential Support team and get your questions answered.

### **Residential Life Programme**

Our Residential Life Programme is here to enhance your experience whilst living on campus. Look out for the various events and workshops that will be on offer to help improve your life skills, wellbeing and social experience.

# FAQs

**We've put together a list of our most frequently asked questions to help you get prepared.**

## **What happens to my holding deposit?**

When you take up the accommodation offered, the £130 holding deposit will form 50% of the damage deposit. When you enrol in September a further payment of £130 will be taken. The total damage deposit is £260.

## **Can I cancel my room booking?**

If your room cancellation occurs before 30 June 2023, your holding deposit will be refunded. If the room cancellation occurs on or after 1 July 2023 there will be no refund of the holding deposit, unless the cancellation is due to Hartpury not offering you a place on a course.

## **How do I pay for my room?**

You'll be issued one invoice for the year which is payable by recurring card payment. Instalments are either at the start of each term (three instalments/year) or monthly from October to May (eight instalments/year). Payments at the start of each term will be for the number of weeks in the term.

## **How will I know you have received my application?**

You will receive a notification when you submit your applications. This confirms we have received it and what your next steps are.

## **When do I have to leave my room?**

You'll be asked to leave your room for the Christmas holidays. During these times you may be asked to clear your room of all belongings. You can stay in your room for half term and Easter although most students go home. Please note, students in New Vicarage (over 18s only) won't need to vacate their rooms.

## **What are self-study weeks?**

You'll have a self-study week during the October and February half-term. You can go home and rest or stay on campus to play sport or do that extra bit of studying. If you're an international student you're welcome to stay here for the week. If you choose to go home, you can leave all your belongings in your room to make things easy.

## **How do I wash my clothes?**

We have laundry facilities on campus. Current prices are £2.40\* for a wash and £1 for a tumble dry. You'll access this using an app on your smartphone.

You cannot bring pets into student accommodation. This includes reptiles, hamsters and fish!

**Can I have a guest to stay overnight?**

**Can I decorate my room?**

Yes, that's a great idea. You can bring cushions, photographs and decorations

In addition, you could face behaviour management procedures for deliberate damage. You'll be asked to complete a room entry check at the start of the academic year and a room exit check will be carried out by a member of staff at the end of the academic year.
